

**Story:** Project management tools for higher education  
**Revenue :** 1.2 bn  
**Operations:** 100 Countries  
**Employees:** 5,000

**Customer Profile**

**Challenge**

This organisation had a portfolio of products that it was taking to its global marketplace. During the Proof of Concept we discovered

**Solution**

HPS used Oracle's Primavera Portfolio Management solution (OPPM) to gather all the data, load this into its product portfolio

**Benefits**

- A Proof Of Concept had proven the value of OPPM and the process of portfolio management and had averted an embarrassing situation for this government department.
